

Stem Cell Therapy

Repair. Rebuild. Rebalance.

Enlist the healing power of your body's own stem cells.

Stem cell therapy aims to naturally heal joints, tendons, ligaments, cartilage and bone by promoting the regrowth of damaged tissue. Schedule your appointment to discuss how **Ultimate Medical Group** physicians can help you achieve the non-surgical results you seek.

Request a tour of our treatment and therapy centers!

630.778.9000

3590 Hobson Road • Woodridge, IL
(next to Seven Bridges)
